DON-NAVY-2019-006480

Dear Ladies and Gentlemen:

This letter is in response to your Freedom of Information Act (FOIA) request dated April 2, 2019, wherein you requested the "files, correspondence, and records generated between May 1, 2002 and May 1, 2004, concerning the production and installation of the "Mission Accomplished" banner seen behind President George W. Bush during his May 1, 2003 speech aboard the USS ABRAHAM LINCOLN." Your request was received in this office and has been processed under FOIA, 5 U.S.C. §552, and has been given FOIA #2019-006480.

We were unable to locate documentation pertaining to the production and installation of the aforementioned "Mission Accomplished" banner; however, we have enclosed pictures that were taken aboard during President Bush's visit. Our search consisted of records that were maintained by USS ABRAHAM LINCOLN (CVN 72), but none were found.
